CAN it be possible that a man like John H. Savage, who openly and proudly boasts that he is in favor of repudiating a large part of the honannounces his candidacy for the United States Senate, while going over the State, hand in glove with Gen. Bate and other leaders of the Readjuster party, in the following "I am a candidate for the United States Senator. The people cannot vote directly, but should instruct

the Nation what I have helped to do for the State, and thereby get relief from National burdens too grievous to be borne. There are heed the time honored principles more than fifteen hundred millions of the party, but seem to have of dollars of National bonds—non productive and non taxable." \* Can it be possible, we ask, that such a man is to be sent to the United States Senate, "to endeavor to do for the Nation what he has helped to do for the State?" We think not, we hope not, and regard as an arch-enemy and dewith the party of the June 20th convention (which claims to be the only true, regular Democracy and

true Democracy and following the that they are not in favor of reputeachings of demagogues, whose diation or anything of the kind), only care is their own personal adhe stands now, just where he stood have come to him. And there is some truth in what he says. It may not be as yet that the Readjuster party of Tennessee are entirely with Savage in all his policy, but there is no mistaking the part that there peace and prosperity for the the present tendency of the party is towards the repudiation of the debt. Will the right-thinking and honesty-loving masses of the people support such principles?

ONE of the most remarkable curiosities of this canvass, if we are to believe the Readiusters and their veracious (?) organs, is the fearful scarcity of State-credit Fussell men. We are told there are about three Barnard, or some other astronomer, crowd of fifty people. The simple explanation of all this is that they commenced this canvass with brag The true genius of the Bate party prejudiced mind, that their enthusiasm is growing small by degrees and beautifully less. Founded on justice the cause of the State-credit Democracy of Tennessee is bound to commend itself to thoughtful, right-thinking men, and no amount of misstatement and abuse can
